SUBJECT: **EXECUTIVE FORCE REVIEW COMMITTEE DISPOSITION:**
DEPUTY MAT TAYLOR #[redacted]
DEPUTY [redacted] #[redacted]
CARSON STATION

Suspect Wayne Nave sustained an elbow fracture when force was used to effect his arrest for being drunk in public, for possession of cocaine, and for assaulting a peace officer.

While working in a one-deputy patrol car, Carson Station Deputy Mat Taylor conducted a traffic stop on Main Street in the Carson Station patrol area because he saw a car back unsafely onto the street from the Dare-U-Inn Motel. Deputy [redacted] also working a one-deputy patrol car, arrived on scene to provide backup.

Suspect Nave was the rear seat passenger in the car, which was being driven by a female. Another female was in the car's front passenger seat. After contacting the females, Deputy Taylor had Suspect Nave step out. Because of his intoxicated state, Deputy Taylor arrested Suspect Nave for being drunk. Incident to the arrest, Deputy Taylor searched and recovered rock cocaine from Suspect Nave's pants pocket. He placed the loose piece of rock cocaine on the trunk of the car.

As Deputy Taylor readjusted his grip during the search, Suspect Nave tried to retrieve the cocaine from the trunk to place it in his mouth. Suspect Nave tensed and spun toward Deputy Taylor. Suspect Nave tried to take a combative stance. In response, Deputy Taylor used his left hand to grab Suspect Nave's left arm and used his right hand to grab the left side of Suspect Nave's head. Suspect Nave bit Deputy Taylor's right forearm. This caused Deputy Taylor to take Suspect Nave to the ground. While struggling there, Deputy Taylor used his left fist to strike Suspect Nave's face. Deputy [redacted] assisted by using his right

fist to strike Suspect Nave's face. Suspect Nave stopped biting Deputy Taylor and was handcuffed by the deputies.

Deputy Taylor was treated at US Healthworks and released regarding an abrasion to the inner portion of his right forearm caused by a human bite.

Suspect Nave was transported to Long Beach Memorial Hospital and initially treated for minor injuries to his face. Upon return to Carson Station and later interaction with the watch commander, Suspect Nave complained of pain to his elbow and knee. He was again transported to Long Beach Memorial Hospital where he was diagnosed with a simple elbow fracture, a knee effusion (fluid in the knee) and an ankle sprain.

On August 27, 2009, the Executive Force Review Committee convened and conducted a review regarding the facts of this case. The applicable policies that were evaluated by the committee were: MPP §§ 3-01/025.00, Use of Force; 3-01/025.10, Unreasonable Force; and 3-01/050.10, Performance to Standards.

Concerning:
MPP § 3-01/025.00, Use of Force, and MPP § 3-01/025.10, Unreasonable Force, the Committee determined that the force used by Deputy Mat Taylor #[redacted] was reasonable and necessary and in compliance with Department policy.

MPP § 3-01/025.00, Use of Force, and MPP § 3-01/025.10, Unreasonable Force, the Committee determined that the force used by Deputy [redacted] #[redacted] was reasonable and necessary and in compliance with Department policy.

INVESTIGATIVE SUMMARY
USE OF FORCE - FRACTURED RIGHT ELBOW
IAB# FO2228284

FILE#: 408-12784-1610-058

DATE / TIME: Sunday, September 14, 2008, 0025 hours

LOCATION: "Dare - U - Inn" Motel
17331 South Main Street, Carson, California

SUSPECT: Wayne Louis Nave, MB/57, Booking #1623425

PERSONNEL: Deputy Mat Taylor, #[redacted] Unit 166, Em's
Deputy [redacted] #[redacted] Unit [redacted]

OPENING STATEMENT:

On September 15, 2008, the Internal Affairs Bureau's Force and Shooting Response Team responded to Carson Sheriff's Station in regards to a significant use of force, a fractured elbow. The team consisted of Lieutenant Roderick Kusch and Sergeant Laura Haynes. Mr. Rob Miller of the Office of Independent Review was also advised of the incident.

When investigators arrived at Carson Station, they learned that Deputies Mat Taylor and [redacted] were involved in a struggle with Suspect Wayne Nave the previous day (September 14, 2008). The struggle resulted in the use of force, in which Suspect Nave sustained a fractured right elbow. During the incident, Deputy Taylor sustained an abrasion to his right arm after being bitten by Suspect Nave. Initially, Suspect Nave was treated for minor abrasions to his face. Upon his return to Carson Station and later interaction with Lieutenant Eddie Rivero, Suspect Nave complained of pain to his right arm and left leg. He was again transported to Long Beach Memorial Hospital where he was later examined and diagnosed by medical staff with a simple (break in bone) elbow fracture, a left knee effusion (i.e., fluid on the knee), and a left ankle sprain. The discovery of Suspect Nave's fracture was not revealed until the late hours on that day (September 14, 2008). Deputy Taylor was treated for an abrasion to his right forearm by medical staff from U.S. Healthworks in the City of Gardena, and released to full-duty work status.

USE OF FORCE:

Deputy Mat Taylor (Unit 166) drove his patrol vehicle northbound on Main Street at the 91 Freeway underpass when he saw a vehicle just north of him on the west side of the street backing out of the "Dare-U-Inn" motel driveway. The vehicle unsafely backed out of the driveway northbound onto Main Street and into the southbound lanes of traffic which caused a vehicle that was traveling in the southbound lane of traffic to have to go around it as it backed out onto Main Street.

Deputy Taylor made an u-turn and initiated a traffic stop of the vehicle in the street. Due too there being no curb parking, Deputy Taylor used his Public Address system and directed the driver to pull back into the motel driveway. He noted the vehicle also had expired registration tags, a broken taillight, and a broken windshield.

The driver pulled into the driveway and stopped in the middle of the motel parking lot. Deputy Taylor pulled in behind the vehicle and stopped just past the driveway entrance and off of the street. He contacted the female driver, Witness [redacted] who did not have her driver's license in possession. Besides Witness [redacted] being in the vehicle, Deputy Taylor saw two other females and one male occupant. Over L-TAC, he requested a unit back-up and a female deputy for a pat-down search of the driver.

While he waited for back-up, Deputy Taylor conversed with all the occupants in the vehicle. Although the occupants were compliant with him, he saw that the right rear passenger, Witness [redacted] was highly intoxicated and appeared to be drunk as she was non responsive to his comments. The left rear passenger, Suspect Wayne Nave, appeared to be very intoxicated as he had slurred speech and his breath smelled of alcohol. Deputy Taylor also saw open bottles of hard liquor (Courvoisier) in the backseat of the vehicle.

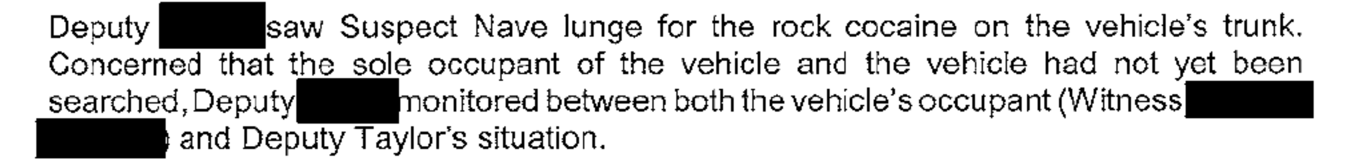

Deputy [redacted] arrived (Unit [redacted]) and parked his vehicle at the motel's driveway entrance adjacent to the street. Deputy [redacted] stood on the right side of the suspect vehicle as Deputy Taylor extracted the front passengers, Witnesses [redacted] and [redacted], and had them wait at the hood area of his patrol vehicle until a female deputy arrived. Seeing that the right rear passenger, Witness [redacted] appeared to be passed-out, Deputy Taylor extracted Suspect Nave from the vehicle while Deputy [redacted] continued to watch the sole occupant of the vehicle, Witness [redacted]

Deputy Taylor stood behind Suspect Nave at the vehicle's trunk and held Suspect Nave's hands in a firm grip behind his (Nave) back. Incident to an arrest of public intoxication, Deputy Taylor searched Suspect Nave's left front pants pocket and located a loose piece of rock which appeared to be cocaine. Seeing that the "rock cocaine" was not bagged or packaged, Deputy Taylor placed it onto the trunk of the vehicle in front of Suspect Nave.

Suspect Nave turned to Deputy Taylor and said, "You gonna take me to jail for that?" Deputy Taylor replied, "I don't know." As Deputy Taylor switched his hands to search the

right side of Suspect Nave, he spun away, breaking free from Deputy Taylor's grasps. Suspect Nave took a combative stance, looked at Deputy Taylor, then reached for the rock cocaine as he attempted to put it in his mouth.

Believing Suspect Nave was attempting to destroy the evidence, Deputy Taylor who was still standing behind Suspect Nave, used the vehicle/trunk area as leverage as he grabbed onto Suspect Nave's left shoulder with his left hand. Using his right hand, Deputy Taylor reached around the front of Suspect Nave's face and grabbed the left side of his head. Simultaneously, Deputy Taylor pulled back on the suspect's left shoulder while he pulled Suspect Nave's face to the right. When Deputy Taylor did this, Suspect Nave bit down on Taylor's right inner forearm causing him pain as they spun to the right as Nave continued to bite him.

Deputy [redacted] saw Suspect Nave lunge for the rock cocaine on the vehicle's trunk. Concerned that the sole occupant of the vehicle and the vehicle had not yet been searched, Deputy [redacted] monitored between both the vehicle's occupant (Witness [redacted]) and Deputy Taylor's situation.

Deputy Taylor and Suspect Nave, now angled and facing toward one another, fell to the concrete surface where Suspect Nave continued to bite his right forearm. Suspect Nave landed backwards on his right side while Deputy Taylor landed on his left side, partially on top of Suspect Nave. Deputy [redacted] had quickly turned to scan the vehicle's interior, looked back and saw Deputy Taylor and Suspect Nave on the ground on the opposite side of the car. As he ran to assist, he heard Deputy Taylor yell out, "He's biting me, he's biting me." Suspect Nave continued to bite down on Deputy Taylor's arm and refused Taylor's commands to stop biting him just as Deputy [redacted] arrived. Deputy Taylor quickly punched Suspect Nave three consecutive times to his face with his left fist as Deputy [redacted] punched Suspect Nave two to three times to the facial area with his right fist while ordering the suspect to stop biting. Suspect Nave complied and was rolled onto his stomach where he was handcuffed by Deputy [redacted] assisted by Deputy Taylor.

> **IAB NOTE:** The remaining occupant in the vehicle, Witness [redacted] was arrested for public intoxication. On February 4, 2009, her case was dismissed "in the furtherance justice." For further, refer to the ***Exhibit Q*** section of the case book.

> **IAB NOTE:** After the incident, Deputy Taylor discovered that his portable radio, located on the left side of his gun belt, was damaged when he fell to the ground. For further, refer to his supplemental report, presented as ***Exhibit B***.

After the incident, Suspect Nave refused to give deputy personnel his name and was later booked as "John Doe." He was transported to Long Beach Memorial Hospital where he was treated for swelling and a laceration to his right lip. He had no other medical complaints. Deputy Taylor had a circular bite mark on his right inner forearm and complaint of pain. He was transported to US Healthworks in the City of Gardena where

he was treated for an abrasion (closed wound) to his right inner forearm and released back to full duty status. Deputy [redacted] had minor swelling to the knuckles on his right hand, but re fused medical treatment. Regarding Deputies Taylor and [redacted] injuries, refer to the photographs (***Exhibit E***) and a supplemental report by Deputy Anel Manriquez (***Exhibit D***).

Later in the morning on September 14, 2008, when Suspect Nave was interviewed by Lieutenant Eddie Rivero, he complained of pain to his right elbow, left knee and ankle. Also, through fingerprints, Suspect Nave's true identity was discovered. He was transported back to Long Beach Memorial Hospital for medical treatment where it was later learned he had sustained a fractured (simple) right elbow. Refer to Suspect Nave's booking records (***Exhibit G***), photos of his injured face (***Exhibit H***), and his medical records (***Exhibit N***) for further.

For further information regarding the use of force, refer to the Incident and Supplemental Reports by Deputies Taylor and [redacted] and Detective Belen Wilkins (***Exhibits A, B, C, and I***). Regarding Suspect Nave's transportation for medical treatment and an "okay to book," see the Supplemental Reports by Deputies Laura Branch, John Lauvai, and Dianna Saiz (***Exhibit F***).
